Lyrics:

All my secrets on parade
These emotions couldn t wait
Cause I tried to be
Someone who wasn t me
Now I only play the fool when I m alone
When I m at home

My mind s a mess in many ways
Got to get things into place
And I m getting close
But nobody knows
When I only play the fool when I m alone
When I m at home

Oh that sweet frosting on the beater
All I want is you
I don t need for you to be my leader
All I want is you

Though you re down with the rain
You cannot kill the flame
It s blood in the vein
Of my inner circle

When my ego turns to gold
I know I can break the mould
You ve just gotta see
The miracle of me
And the things I only do when I m alone
When I m at home

Oh that sweet frosting on the beater

All I want is you
I don't need for you to be my leader
All I want is you

Though You're down with the rain
You cannot kill the flame
It's blood in the vein
Of my inner circle
