

Whispering At The Top Of My Lungs
Tim Christensen

OK this is a great song from the new Tim C album Honeyburst.
If you have any questions, comments or something else, my email is
e_hvid@hotmail.com

Website: www.timchristensen.net

The chords in the verses are a bit strange and I have no idea what to call them,
so I just found some names for them. I know its not cool, but I dont know the
names.

Tuning: Down one tone.

E2	E2sus	G2	C2	B2	Bb2	Em1	Em3
6---0-----0-----3-----x-----x-----x-----0-----0---							
5---x-----x-----x-----3-----2-----1-----2-----2---							
4---2-----2-----0-----0-----0-----0-----2-----2---							
3---3-----0-----3-----3-----3-----3-----0-----0---							
2---3-----3-----3-----3-----3-----3-----0-----0---							
1---0-----0-----0-----0-----0-----0-----3-----2---							

Listen to the song to figure the rythm out.

Intro: **E2** **E2sus**

E2 **E2sus**
Close your eyes,
G2
maybe someone will apologize
C2 **C2--B2--**
maybe somehow you will hear what I m
Bb2 **E2** **E2sus**
whispering at the top of my lungs

E2 **E2sus**
Ego cursed
G2
I feel bad about not feeling worse
C2 **C2--B2--**
come on kiss me on the honeyburst
Bb2 **E2**
whispering at the top of my lungs

C2--B2--Bb2 **E2**
Whispering at the top of my lungs

Bridge:

C H Em Em1--Em3--Em
Someday I d like to forgive you

C H Em Em1--Em3--Em
Someday I d like to regret

C H Em Em1--Em3-- Em
Someday I d like to remember the good things

Am H
That I seem to forget

C H Em Em1--Em3--Em
I know that there s somebody out there

C H Em Em1--Em3--Em
I know that they re having a blast

C H Em Em1--Em3--Em
And now that it s time to surrender to you dear

Am H
I find you hear at last

Am
Easy love you cry my name but

Em
drag no pain through my lullabies

Am
Easy love you cry my name but

Em
drag no pain through my lullabies

Am Em
Easy love you dont cry

Am Em
Easy love you dont cry

Verse:(uses same chords)

Baby please
Speak now or forever bite leash
dont you see that I am on my knees
whispering at the top of my lungs

Close your eyes
all is fine
loneliness is just a state of mind
whispering at the top of my lungs
