All the pretty girls leave town
G
All the pretty girls leave town
F **G** **C**
Well all the pretty girls leave town

C
They leave in the spring
G
They leave everything behind
Am **F** **G**
Push those rusty Mustangs to the closest county line

All the pretty girls leave town
All the pretty girls leave town
Well all the pretty girls leave town

They leave in the fall
When they jump the gossip wall
Have you heard about the young one that ran away and never called?
All the pretty girls leave town
All your pretty girls are leaving town
Well all the pretty girls leave town

They leave all the time for the city with some pictures inside
Some turn into the story that no fortune can deny

All the pretty girls leave town
All your pretty girls are leaving town
When you gonna leave this town?

When you gonna leave this town?

Cause all the pretty girls leave town
