Your, your heart is broken your heart is dying

Em C G D/F#

Sometimes trouble is a gift

Sometimes hardest way to go
Sometimes hardest way to go
is the way sets you free
unlocks the door to you and me
Sometimes just hardest way to go

Sometimes only think to do is work
Sometimes only think to do is work
Pick up a shovel pick up an axe
Work out in the woods till it s time to come back
Sometimes the only think to do is work

Sometimes just can t look back
Sometimes just can t look back
They say life lesson are learnt from a past
Wind of change blow pass so fast
Sometimes you just can t look back

Sometimes trouble is a gift
Sometimes trouble is a gift
Out of the darkness and into the light
After the longest winter s by
Sometimes trouble is a gift
