Tim Hawkins

(This song is from his rockshow comedy tour)(its tuned down two half steps)

D **Bm**
You better quit all that complaining

G **D**
Don t wanna hear another sound

D **A** **Bm**
If I hear any more whining

G **D**
I m gonna turn the car around

D **Bm**
You have a little telivision

G **D**
And you had enough to eat

D **A** **Bm**
And if you don t change your disposition

G **D**
I m gonna leave you on the street

D **Bm**
So I m waiting

G **D**
For your attitude to change

D **A** **Bm**
I ll keep on waiting

G **D**
For your attitude to change

D **Bm**
You say that I ain t fair

G **D**
I guess that would matter if I cared

D **A** **Bm**
So i keep on waiting

G **D**
for your attitude to change
