I ve had questions, without answers

I ve known sorrow, I have known pain
Gmaj7 **G/A** **Bm7**
But there s one thing, that I ll cling to

You are faithful, Jesus You re true

G2 **D/F#** **Asus**
When hope is lost, I ll call You Saviour
G2 **D/F#** **Asus**
When pain surrounds, I ll call You Healer
G2 **Bm7** **Asus**
When silence falls, You ll be the song within

my heart

Gmaj7 **G/A** **Bm7**
In the lone hour, of my sorrow
Gmaj7 **Bm7** **Asus**
Through the darkest night of my soul
Gmaj7 **G/A** **Bm7**
You surround me, and sustain me
Gmaj7 **Bm7** **Asus**
My defender, forever more

Gmaj7 **Asus** **D/F#**
I will praise You, I will praise You
Gmaj7 **Asus** **D/F#**
When the tears fall, still I will sing to You
Gmaj7 **Asus** **D/F#**
I will praise You, Jesus praise You
Gmaj7 **Asus** **D/F#**
Through the suffering still I will sing
