OUR HOPE - TIM HUGHES

This is a song from the Light The Sky album from Soul Survivor.
It is a very easy song and the lyrics are fairly minimal, but really catchy :)

Bm **G** **D** **A**
Our hope is in your name, oh Lord

Bm **G** **D** **A**
There s power in your name, oh Lord

Bm **G** **D** **A**
We ll live to praise your name, oh Lord

These are all the lyrics from the song, just listen out for when they come.
There are parts when Tim just shouts random words so if you want to perfect this
song
you will have to listen to the track.

Thanks for viewing! :)
