

We Must Go
Tim Hughes

This should be played in Capo 1.

My desire is that you don t just play and sing this song but put the words into practice.

E **Esus4**
God of Justice, Saviour to all

E **Esus4**
Came to rescue the weak and the poor

E **Esus4**
Chose to serve and not be served

C#m7
Jesus, You have called us

E
Freely weâ€™ve received

A **B7**
Now freely we will give

E **B7**
We must go live to feed the hungry

C#m7
Stand beside the broken

A
We must go

E **B7**
Stepping forward keep us from just singing

C#m7
Move us into action

A
We must go

To act justly everyday
Loving mercy in everyway
Walking humbly before You God
You have shown us, what You require
Freely weâ€™ve received
Now freely we will give

Chorus x2

E **Esus4**
Fill us up and send us out

E **B7**
Fill us up and send us out

E **Esus4** **B7** (don t go to B7 last time)

Fill us up and send us out Lord
(This part 4 times)
