I won't mind going all the way

I won't hide the way you do

Cause loving you is a Devil's Tree

C G Am
You can paint your lying lips
F C
You can wear those shoes so tall
G Dm
But I can't stand to see your arms
F G
Wrapped around, someone new

C G Dm F
Yes I'll wait, I'll be waiting
C G Dm F
Only waiting for you
C G Dm F
The only way, the only way
C G Dm F
The only way, it's true

It's so easy to let it go
I won't tell you what to do
But you can't live inside a dream
Look at me, it's true

Now I won't mind going all the way
I won't hide the way you do
You are the book so hard to read
I'm turning pages but still

Yes I'll wait, I'll be waiting
Only waiting for you
The only way, the only way
C G Dm
The only way, it's true

And the demons I ve killed them too
Climb the walls, I ll take that road
The longest road to you

The only way, it s true

Yes I ll wait, I ll be waiting
Only waiting for you
The only way, oh, the only way

The only way is you
