                  Ab (1strum)                   Eb (1 strum)

1.           **Gm**                   **Eb**  
Long ago, far away,  
          **F**                           **Bb**                   **F**  
I felt your loving glow upon my face  
          **Gm**   **Eb**  
Was it a dream or just a promise made?  
          **Ab**                           **Gm**                   **F**  
What is my destiny?

Refrão -----

**Bb**                   **F**                           **Cm**  
Someday I ll find a way too shine  
**Bb**                           **F**                           **Cm**  
Leave all these rainy days behind  
**Bb**                           **F**  
I know there s got to be  
**Gm**   **F**                           **Cm**  
Someplace warm and bright for me  
**Ab**                           **Eb**                           **Bb**  
I m running out of places I can run  
**Ab**                           **Eb**                           **Bb**  
Looking for a place in the sun

-----  
2.           **Gm**   **Eb**  
Darkness hangs over head  
          **F**   **Bb**                   **F**  
close to the point where angels veer to tread  
          **Gm**   **Eb**  
I close my eyes and think of you instead  
          **Ab**   **Gm**                   **F**  
and pray you ll be here soon

Repeat Chorus:

Bridge:

**Gm**   **Ab**   **Eb**  
Sometimes it feels like this whole world s against me  
**Gm**   **Db**  
and every beatin path is just another windin road that

C7 Fm Cm Ab  
takes me far from you, and all that s true I ve got to  
Gm F  
find my way again, yeah yeah
