[Intro]
G   D   Am   C

[Verse 1]
```
G                          D
Don t you remember the fizz in a pepper
Am                      G           D
Peanuts in a bottle at ten two and four
   G                        D
A fried bologna sandwich with mayo and tomato
Am                          G            D
Sittin  round the table don t happen much anymore
      Em                      A7
We got too complicated It s all way over-rated
            C                        D
I like the old and out-dated way of life
```

[Chorus]
```
G             D
Back when a hoe was a hoe
C
Coke was a coke
     G
And crack s what you were doing
                      D
When you were cracking jokes
          D
Back when a screw was a screw
    C
The wind was all that blew
     G
And when you said I m down with that
                      D
Well it meant you had the flu
            Am
I miss back when
            C
I miss back when
              G      D
```

I miss back when

[Verse 2]
```
G                         D
I love my records, black, shiny vinyl
Am                                  G               D
Clicks and pops and white noise, man they sounded fine
G                         D
I had my favorite stations, the ones that played them all
Am                                       G             D
Country, soul and rock-and-roll what happened to those times?
           Em                                      A7
I m readin  street slang for dummies cause they put pop in my country
         C                 D           G
I want, more for my money, the way it was back then
```

[Chorus]
```
G           D
Back when a hoe was a hoe
C
Coke was a coke
      G
And crack s what you were doing
                        D
When you were cracking jokes
          D
Back when a screw was a screw
     C
The wind was all that blew
      G
And when you said I m down with that
                         D
Well it meant you had the flu
          Am
I miss back when
            C
I miss back when
            G      D
I miss back when
G  D  Am  G  D
```

[Bridge]
```
        Em
Give me a flat top for strumming
          A7
I want the whole world to be humming
C                         D           G
Just keep it coming, the way it was back then
           Am                C
I miss back when, I miss back when
```

[Outro]
```
G  D  Am  C (repeat 3 times into fade)
```
