C
I know how to hold a grudge
G
I can send a bridge up in smoke

And I can't count the people I've let down, the hearts I've broke
C
You ain't gotta dig too deep
G
If you wanna find some dirt on me

I'm learning who you've been ain't who you've got to be
Dm
It's gonna be an uphill climb
F

Chorus:

C
I ain't no angel
F G C
I still got a still few more dances with the devil
F G
I'm cleanin' up my act
Am Am/A F F/F#
Dm
Little by little, I'm getting there, I can finally stand the man in the mirror I see
Dm/F# F
I ain't as good as I'm gonna get
G C G
But I'm better than I used to be

I've pinned a lot of demons to the ground
I've got a few old habits left
There's one or two I might need you to help me get
Standin' in the rain so long
Has left me with a little rust
But put some faith in me and someday you'll see
There's a diamond under all this dust
