C#
I know how to hold a grudge
G#
I can send a bridge up in smoke
Bbm Bbm/A F#
And I can t count the people I ve let down, the hearts I ve broke
C#
You ain t gotta dig too deep
G#
If you wanna find some dirt on me
Bbm Bbm/A F#
I m learning who you ve been ain t who you ve got to be
Ebm
It s gonna be an uphill climb
F#
Aww honey I won t lie

Chorus:

C#
I ain t no angel
F# G# C#
I still got a still few more dances with the devil
F# G#
I m cleanin up my act
Bbm Bbm/A F# F#/F#
Ebm
Little by little, I m getting there, I can finally stand the man in the mirror I see
Ebm/F# F#
I ain t as good as I m gonna get
G# C# G#
But I m better than I used to be

I ve pinned a lot of demons to the ground
I ve got a few old habits left
There s one or two I might need you to help me get
Standin in the rain so long
Has left me with a little rust
But put some faith in me and someday you ll see
There s a diamond under all this dust
