And when the morning sun burns across my face
I ll put my shirt back on, get up and walk away
I m gonna climb my frame onto a Greyhound bus
Take a little blue pill and forget about us

I know it won t be easy but I ve got a plan
To just let my memory let go of your hand
I m gonna miss your touch
But I know I must forget about us

[Spoken:]

By the time I get to Phoenix, I won t know your name
Those soft green eyes, your warm skin
And the way you say Good morning
I ll be alright
