```
Highway Dont Care
Tim McGraw
Feat; Keith Urban & Taylor Swift
Intro 2x: D Bm G
Verso:
 Bet your window s rolled down and your hair s pulled back
And I bet you got no idea you re going way too fast
You re trying not to think about what went wrong
Trying not to stop til you get where you goin
You re trying to stay awake so I bet you turn on the radio
And the song goes
Refrão:
I can t live without you, I can t live without you, baby
I can t live without you, I can t live without you, baby, baby
The highway won t hold you tonight
Bm
The highway don t know you re alive
The highway don t care if you re all alone
But I do, I do.
The highway won t dry your tears
The highway don t need you here
The highway don t care if you re coming home
But I do, I do.
Verso:
                               Bm
I bet you got a dead cell phone in your shotgun seat
Yeah, I bet you re bending God s ear talking bout me.
```

You re trying not to let the first tear fall out

```
Trying not to think about turning around
You re trying not to get lost in the sound but that song is always always on
So you sing along
Refrão:
I can t live without you, I can t live without you, baby
I can t live without you, I can t live without you, baby, baby
The highway won t hold you tonight
The highway don t know you re alive
The highway don t care if you re all alone
But I do, I do.
The highway won t dry your tears
The highway don t need you here
The highway don t care if you re coming home
But I do, I do.
