

Ive Got Friends That Do
Tim McGraw

This is my first song so some feedback would be great :)

Tim McGraw - I Got Friends That Do

C, F, C, F

C

This is for the nobody

F

The one in the crowd who s got a

Am G F

Lost look on his face

C

This is for the down-trodden

F

The one that the worlds forgotten

Am G F

Waitin on a better day

Am F

Well I m in no position to judge em

Am F

Heaven knows they re just like me

C

And I m not alone

G

In knowing what it s like

Am G F

To wonder where you re going in this crazy life

C G

And I m not alone, knowing how it feels

Am G F

To pray to God and sometimes wonder if he s real

F C

Cause I got friends that do

F C

Yeah I got friends that do

F

C

This is for the lost junkie

F Am G F

Who spends all his hard earned money on something he hates

C

And this is for the found guilty

F Am G F

Who ain't getting out until he pays his debt to the state

Am F

I'm in no position to judge 'em

Am F

Heaven knows it could have been me

C G

And I may not know what it's like

Am G F

To lose your job 'cause a habit's got you gripped too tight

C G

And I may not know how it feels

Am G F

To lay your head down on a prison bed in a world of steel

F C

But I got friends that do

F C

Yeah, I got friends that do

F

C

This is for yours truly

F

Just a little verse to remind me

Am G F

We all got somewhere to turn

C G

And I may not know what it's like

Am G F

To send my only son to save the world and watch him die

C G

And I may not know how it feels

Am G F

To hang there on the cross to prove that love is real

F C

But I got friends that do

F C

Yeah I got friends that do

F C

Yeah I got friends that do

F C

You know we all got friends that do
