

## Kill Myself

Tim McGraw

Intro: G D/F# Em7 D/F# G D/F# A

I m gonna clean the house, I m gonna fix the fence  
In my final hours, I m gonna tie up these loose ends  
I won t leave a note, for anyone to find  
Tomorrow they ll know, what I ve done here tonight

Chorus:

The drastic steps I ve taken  
Are just an act of desperation  
I knew no one would miss me so what the hell  
I fought, I lied, I drank too much  
Hurt everyone I ve ever touched  
And just how much I hurt you is hard to tell  
This is not some cry for help  
It s goodbye I wish you well  
Because I love you, I m gonna kill myself (repeat intro)

Now who is that, in my easy chair  
Now wait a minute, that s the old me sittin there  
And I thank God, the devil in me died  
Cause I stand before you now a man changed and alive
