

Losin You
Tim McGraw

[Intro]

G C

[Verse 1]

G

You re in the blue breeze blowin

Across the sugar white sand

C

And the roar of the wheels

When I m tryin to land

G

In a Hank Williams tune

And a Coltrane song

C

In the dead of the night

And at the break of dawn

Am

It never gets old

And it s always new

C

Everywhere I go

G

I keep on losin you

[Verse 2]

G

In the words of a poet

No one reads anymore

C

In the shadows and sunlight

Crawling across the floor

G

In airport lounges

In motel rooms

C

In the Starbucks line

Under quarter moons

Am

Between the little white lies

And the cold hard truth

C

Is everywhere I am

Em

Girl, I m still losin you

[Chorus]

Em

C

Yeah, you kissed me one last time

G

Made that driveway gravel fly

D

Red taillights lit like a spark

Em

Just the start of a long goodbye

C

And some memories just won t fade

G

Not a damn thing you can do

D

So, girl, if you re long gone

G

How come I keep on losin you?

[Verse 3]

G

In Seattle and Vegas

Old rodeos

C

And lonesome dove

And the last pictue show

G

In a truck stop parking lot

Gasoline rainbow

C

The burn of the whiskey

Neon smoke

Am

C

I close my eyes

Em

And you re right there

[Chorus]

Em

C

Yeah, you kissed me one last time

G

Made that driveway gravel fly

D

Red taillights lit like a spark

Em

Just the start of a long goodbye

C

And some memories just won't fade

G

Not a damn thing you can do

D

So, girl, if you're long gone

Am

How come I keep on losin' you?

[Bridge]

Am

Missin' you

B

G

Red wine, slow dance, kissin' you

C

Late night drivin'

Wishin' you were still here

G

D

Turnin' that radio

C

Searchin' for a song to listen to

[Instrumental]

D C D

[Outro]

Em

C

And some memories just won't fade

G

Not a damn thing you can do

D

So girl if you're long gone

Am

How come I keep on losin' you?

C

Guess I'll keep holdin' on

G

And I'll keep on losin' you

C

Missin' you

G

C

Red wine, slow dance, kissin' you

G

Searchin' for a song to listen to

[Outro]
