

Nothin To Die For
Tim McGraw

The only thing I m worried about with this tab is that there may be another chord before in the verses. Other than that, I m pretty sure it s right.

Capo 3

Cadd9

Stopped to have a few at five now you re

Cadd9 **G**

Crossing that center line for the third time

Cadd9

Second time like this this week

Cadd9 **G**

Had a friend ask you for your keys you said no I m fine

B **Em**

You sure do act like you ain t got a thing to lose

Am **D**

But every car you pass might be the ones you take with you

(Chorus)

G

You d give your last breath to your wife

B

Take a bullet for your kids

Em

D

Lay your life down for your country for your Jesus for your friends

Cadd9 **D** **G** **Cadd9**

There s a whole lot of things you say you re living for

Am

D

You ve got to fight it somehow, stop and turn around

G

Cause this ain t nothin to die for

Cadd9

So what s the harm in a little fun

Cadd9 **G**

Cause you re off to work before the sun everyday

Cadd9

And the inbox outbox box you in

Cadd9

G

And the money you make ain't worth the time you spend to make your pay

B

Em

The doctor says man your numbers they don't lie

Am

D

The graveyard's full of folks that didn't have time to die

(Chorus)

Cadd9

G

Straight through that guardrail up into that white light

Am

D

You hear a sweet voice saying just this side of the other side

Cadd9

Just this side of the other side

G

You'd give your last breath to your wife

B

Take a bullet for your kids

Em

D

Lay your life down for your country for me and all your friends

Cadd9

D

G

Cadd9

There's a whole lot of things you say you're living for

Am

D

You've got to fight it somehow, stop and turn around

G

Cause this ain't nothin' to die for

Outro: G Cadd9 (repeat till end)
