**D G D G**  
She left more than just her lipstick when she walked out  
**D G D G**  
Her memory keeps haunting me that s why I m hunting you down  
**A G**  
It s been a long time since our lips met  
**A G**  
You ve always been good at helping me forget  
**D A D**  
I ll regret it in the morning but that s not stopping me now

Chorus:

**G D**  
Senorita Margarita I m as lonesome as a man can be  
**G**  
I still love her, I still need her  
**D A**  
I m just hoping you can comfort me  
**D**  
I don t want to do her wrong  
  
I don t need somebody new  
**Bm A E**  
I just can t be alone tonight  
**G A G**  
So Senorita Margarita, let me hold you tight  
**G D G A D**  
La la la la la la..... oooh

She always comes to her senses with some space and time  
And you re just what I needed to cool off this hot head of mine  
I hope you realize this is a one night stand  
I m gonna get her back, I know I can  
So let s keep this between you, me, the salt and the lime

CHORUS  
(repeat the la la la s at the end twice)
