

Still

Tim McGraw

Capo on 1

[Verse]

C **Em**
There s a place I like to go where I can here the cotton grow

F
When that train whistle blows a dozen miles down the road

C
All I really have to do is just be still

C **Em**
There s the place I love to be, momma daddy my sister and me

F
First time I ever saw the beach back to nineteen eighty three

C
All I really have to do is just be still

[Chorus]

Am **C** **F**
When this world gets crazy and tries to break me, and I had all I can stand

Am **C** **F** **Dm**
I can close my eyes no matter where I am and just be still
Just use all downstrokes and listen to the song for the rhythm.

C **Em**
There s a place that I can see where my babies next to me

F
Close enough to feel the heat, all wound up beneath the sheets

C
All I have to do is just be still

[Chorus]

Am **C** **F**
When this world gets crazy and tries to break me, and I had all I can stand

Am **C** **F**
I can close my eyes no matter where I am and just be still

[Instrumental]

[Verse]

C **Em**
There s a place I need to go where the stain glass windows flow

F **Am** **G**
Every part of me is known, thank god I can go there

F **G** **C**
Thank god I can go there still

C **Em** **F**
Still, oh, thank God I can go there still

[Outro]
