

Watch The Wind Blow By
Tim McGraw

Intro: A C#m D (x2)

A C#m D
Creek goes rippling by
A C#m D
I ve been barefoot and all day with my baby
A C#m F#m E
Brown leaves have started falling leading the way
A C#m D
I like it best just like this
A C#m D
Doing nothing all the way
A C#m F#m E
So let s lay down in the tall grass dreaming away

Chorus:

A
And all I wanna do is let it be and be with you
D
And watch the wind blow by
A
And all I wanna see is you and me go on forever
D
Like the clear blue sky
G D G D E
Slowly, there s only, you and I
E A C#m D
And all I want to do is watch the wind blow by

A C#m D

A C#m D
Girl, you know you told me not so long ago
A C#m D
To let it come, then let it pass
A C#m F#m E
And all your troubles and your sorrows they won t last
A C#m D
So let me kiss you now, little darling
A C#m D
Beneath this autumn moon
A C#m F#m E
Cold winds, another season will be here soon

REPEAT CHORUS

D A C#m D

And all I want to do is watch the wind blow by

D A C#m D

And all I want to do is watch the wind blow by

A C#m D
