

**Life is Beautiful**  
**Tim McMorris**

**Bm**

Hey now, Come on

**A**

Let s go,

The music s playin

**G**

I ve got

To move on

**D**

To go out

No more delayin

**Bm**

Pack my Things up

**A**

Care free, Adventure s waitin

**G**

I m headin out

**D**

Headin out to see the rest of the world

Yeah, yeah

**Bm**

So kick it up to stir it up

Alive will make you feel

**A**

Press reset with no regret

Make sure to keep it real

**G**

The possibilities, right in front of me

**D**

Oh all the things that I can be

Got me feelin free

Yeah

**Bm**

So turn it up and shout it out

Cause you got something to shout about

**A**

And let the world just spin around

As you go on and make more ground

**G**

And throw your hands up, ya put em up high

**D**

Walk a new path, and go on

And let the cares fly by

**E**

And if you take some time to ask me why

You always see me with a smile

I ll tell you that

**Bm**

**D**

Life is grand, life is great, life is good

**A**

Life is beautiful

Ya gotta give it all ya got

**G**

Everything you got to give

**A**

Time to shine, time to live

**Bm**

**D**

Life is grand, life is great, life is good

**A**

Life is beautiful

Now your living out your dream

**G**

With your hopes up high

**A**

**Bm**

Your only limit is the sky

Hey, hey, hey, hey

**Bm**

Standing in a brand new place

I feel the sun shine on my face

**A**

The weather s good, the day is bright

I watched it turn from dark to light

**G**

And keep the music going

Keep the good times rollin

**D**

And now I ll never let it stop

You ll only find me growin

Come on

**Bm**

Sing out a song and don t be shy

Cause you ll never know till you give it a try

**A**

Colourful like a work of art

A brand new day, a brand new start

**G**

And once you go up, you ll never come down

**D**

Like your walking right on the air, with your feet far off the ground

**E**

And if I take some time to ask you why

I always see you with a smile

You ll tell me that

**Bm**

**D**

Life is grand, life is great, life is good

**A**

Life is beautiful

Ya gotta give it all ya got

**G**

Everything you got to give

**A**

Time to shine, time to live

**Bm**

**D**

Life is grand, life is great, life is good

**A**

Life is beautiful

Now your living out your dream

**G**

With your hopes up high

**A**

**Bm**

Your only limit is the sky

Hey, hey, hey, hey
