Cause you got something to shout about

A

And let the world just spin around

As you go on and make more ground

G

And throw your hands up, ya put em up high

D

Walk a new path, and go on

And let the cares fly by

E

And if you take some time to ask me why

You always see me with a smile

I ll tell you that

Bm

Life is grand, life is great, life is good

Life is beautiful

Ya gotta give it all ya got

Your only limit is the sky

Hey, hey, hey, hey

Bm

Standing in a brand new place

I feel the sun shine on my face

A

The weather s good, the day is bright

I watched it turn from dark to light

G

And keep the music going

Keep the good times rollin

D

And now I ll never let it stop

You ll only find me growin

Come on

Bm

Sing out a song and don t be shy

Cause you ll never know till you give it a try

A

Colourful like a work of art

A brand new day, a brand new start

G

And once you go up, you ll never come down

D

Like your walking right on the air, with your feet far off the ground

E

And if I take some time to ask you why

I always see you with a smile

You ll tell me that
