x4 **Hm** **B Hm**

O-oo-oo-oo-o-o-oo-o-o-o-oo-oo

**Hm**

I m on top of the world and now I m livin

**B**

And the good just gets better, keeps on givin

**F#**

Not even close to the end, it s just beginnin

**A**

Life is getting lighter

**B**

While the days are getting brighter, yeah

**Hm**

And it s all good, I won t worry anymore

**B**

Took all my cares, took em, kicked them all, out the door

**F#**

Go on and try it, come on and tell me what you re waiting for

**A**

**B**

Move and keep on going, till your life is overflowing, yeah

**Hm**

I do a dance, do a dance of victory

**B**

Cause now I m livin good, no, I m not livin like used to be

**F#**

Not talkin bout things, talking bout my mind

**A**

**B**

Now I m free from the worries that I left behind

**Hm**

I gotta jump for joy, and shout aloud, and make a sound, oh

**B**

The world can t stop me now, no

**F#**

And on the music I will ride on the beat

**A**

**B**

Play my guitar, while I m stompin my feet, yeah

**F#**

I gotta celebrate life

**F#**

And get excited about

**F#**

Good times and good livin

**F#**

Come on and shout it out, (HEY!)

**Hm**

Take it up, take it over, take it out of control

**B**

Today I m freein my soul, and now you got me singin

**F#**

Oh Oh Oh Oh Oh

**A** **B**

Oh Oh Oh Oh Oh Whoa

**Hm**

I m feelin fine, smiling big, feelin right like I should

**B**

Life is better then good, yeah, you got me singin

**F#**

Oh Oh Oh Oh Oh

**A** **B**

Oh Oh Oh Oh Oh Whoa

**Hm**

I m standing up, on top of the world tonight

**B**

And everything s working out just right

**F#**

And while the world is spinning

**A**

It s a brand new beginning

**B**

I m here finally winning (HEY!)

**Hm**

So take it up, take it over, take it out of control

**B**

Today I m freeing my soul, and now you got me singin

**F#**

Oh Oh Oh Oh Oh

**A** **B**

Oh Oh Oh Oh Oh Whoa

**B** **Hm**

Oh Oh [x2]

**Hm**

We gotta be the best, the best we can be

**B**

And though sometimes we don t wanna

Still we gotta chase our dreams

**F#**

Reach up, and reach high, because we re gonna pull on through

**A**

And give it all we got, even though it can seem so hard to

**Hm**

Catch and make happen, but we can't start slackin', come on

**B**

Do what ya gotta do to fight on

**F#**

So no matter what comes your way

**A**

Nothin' can ruin your day

**B**

Or even wipe your smile away

**Hm**

By the time I'm up and outta my bed

**B**

I got a hundred new ideas floatin' round in my head

**F#**

With a hope for tomorrow, a dream that I can see

**A**

**B**

Of all the awesome things, the great people we could be

**Hm**

And maybe by the music or the songs that I sing

**B**

I'll change the world with the simple message that I will bring

**F#**

All I know is that it's out there, there's more to discover

**A**

**B**

And a lot of good things, we can learn from one another

**F#**

Gotta celebrate life

And get excited about

Good times and good livin'

Come on and shout it out, (HEY!)

**Hm**

Take it up, take it over, take it out of control

**B**

Today I'm freein' my soul, and now you got me singin'

**F#**

Oh Oh Oh Oh Oh

**A**

**B**

Oh Oh Oh Oh Oh Whoa

**Hm**

I'm feelin' fine, smiling big, feelin' right like I should

**B**

Life is better than good, yeah, you got me singin'

**F#**

Oh Oh Oh Oh Oh

**A**

**B**

Oh Oh Oh Oh Oh Whoa

**Hm**

I m standing up, on top of the world tonight

**B**

And everythings working out, just right

**F#**
