Notes:

- Listening Example:<http://youtu.be/Xl7CagWk7SA>
- Sorry this is the best listening example i could give you guys :(I learned from the version i got of Rhapsody
- He plucks the bass note with his thumb then he uses his other fingers to play the higher strings on the offbeat

- In the verse he only uses the D & G strings for the high part of the **G** and **Em** chords and then he uses the D G & B String for the **C**

- Capo 4th Fret, sounds like the voicings he s getting from him guitar.

[Chord]- E A D G B E
G - 3(2)0 0 3 3
Em - 0 2 2 0 0 0
C - X 3 2 0 1 0
D/F# - 2 0 0 2 3 2
D(easy)- X X 0 2 3 2
D(hard)- X X 0 2 3 5 <--Technically D5

_____|\n|This is the voicing|\n|I think he uses in |\n|the recording |\n|-----|\n

Reminder: Capo 4th Fret

[Intro]

G

[Verse 1]

G **Em**
From the first time I saw you I knew that you'd be mine
G **Em**
And from the first glance you gave My world it slowed, you stopped the time
C **G**
And in that moment I could see all of the things that we would be
C **G**
You were the girl I was waiting for, that'd I'd ask to marry me

[Verse 2]

G **Em**
Like the beauty of the sun you light my life so I can see
G **Em**
You make me laugh and show me how, just how good this life can be
C **G**
And in our moments filled with joy, is where I live, where I am free
C **G**
Lay in my arms, I'll hold you tight, just like you like, continually

[Chorus]

Em C G D/F# Em C G
And I am, over-whelmed by you Am over-come with joy
Em C G D/F# Em
You've, taken me higher and shown me what love can do
C D G
Where would I go, or be, without you

[Verse 3]

G **Em**
There's something in your smile that gives me strength to carry on
G **Em**
And there something in your words that lingers even when you're gone
C **G**
Oh I've dreamt, that a time like this would come, fulfill my life
C **G**
Who could've known the one who'd bring it here would be my lovely wife

[Verse 4]

G **Em**
I could sing a thousand songs about you still that would not do
G **Em**
There's a million tiny things that make the things that you do, you
C **G**
I wouldn't trade our time together, wouldn't trade for anything
C **G**

Cause nothing else here in the world can bring the happiness you bring

[Chorus]

And I am, over-whelmed by you Am over-come with joy

You ve, taken me higher and shown me what love can do

Where would I go, or be, without you

Yea I am, over-whelmed by you Am over-come with joy

You ve, taken me higher and shown me what love can do

Where would I go, or be, without you
