Tabbed by: IAmFreeBird

No Capo

Verse 1:

Em
I want to leap over buildings

C
Want to fly over the shores

G
Save the people from the villains

D
Catch the crooks who, rob the stores

Em
Write my name upon the sky

C
When you call me Iâ€™ll be there

G
Faster then a lightning flash

D
Rushing through the, cool night air

Chorus:

Am   C
Ohh, Ohh,

```
G
Start ignition, count to zero

D
I just want to be a super hero

Am    C
Ohh, Ohh,

     G
With fearless thoughts, emotions swirled

         D
I want to be the man that, saves the world, yeah

Em C G D

Verse 2:

    Em
The world is full of super problems

   C
So we made up a super man

    G
But he is just imaginary

    D
And here we stand, without a plan

      Em
With new ideas and innovation

C
Man still cannot tame creation

    G
And though Iâ€™m told Iâ€™ll never fly

    D
That doesnâ€™t mean that I wonâ€™t try

Chorus:

Am    C
```

Ohh, Ohh,

G
Start ignition, count to zero

D
I just want to be a super hero

Am   C
Ohh, Ohh,

        G
With fearless thoughts, emotions swirled

            D
I want to be the man that, saves the world
