Opportunity is here for me

**F** **C** **E**  
So come along and take a look because I want you to see (yeahhh)

Chorus

**Am**

The world is yours, look a little bit closer

**C**

If you want it, come and get it, you can take it over

**F**

You can make your tomorrows, what you want them to be

**C**

**E**

You got the power in your hands, to shape your history

**Am**

You gotta take it up a level, and go up higher

**C**

Put more fuel in the tank, and turn up the fire

**F**

Come on, and take leap into your destiny

**C**

**E**

And come on up, come up, come up with me

**Am**

**E**

Weâ€™re going up, up up, and up, up, up

**F**

**C**

**E**

Weâ€™re going up, up up, and up, up, up

**Am**

**E**

Weâ€™re going up, to the top, wonâ€™t stop, now Iâ€™m feelin it

**F**

**C**

**E**

Celebrate life, good times all around

**Am**

**E**

I wanna keep it, keep it simple, so its not complicated

**F**

**C**

**E**

And that what goes up, doesnâ€™t have to come down (ohhh)

**Am**

**E**

Itâ€™s looking like another sunny, Sunday

**F** **C** **E**  
Good days are here, no Iâ€™m not waiting on one day

**Am** **E**  
Get up, get movin, and come on and see

**F** **C** **E**  
Because itâ€™s time to live life, a life thatâ€™s happy and free

Chorus:

**Am**  
The world is yours, look a little bit closer

**C**  
If you want it, come and get it, you can take it over

**F**  
You can make your tomorrows, what you want them to be

**C** **E**  
You got the power in your hands, to shape your history

**Am**  
You gotta take it up a level, and go up higher

**C**  
Put more fuel in the tank, and turn up the fire

**F**  
Come on, and take leap into your destiny

**C** **E**  
And come on up, come up, come up with me

**Am** **E**  
Weâ€™re going up, up up, and up, up, up

**F** **C** **E**  
Weâ€™re going up, up up, and up, up, up

(x4)
