Eb Dm Gm Cm F Bb
I m ashamed on behalf of my sex for making women feel like objects

[Chorus]

F9 Bb
Fuck I love boobs though, I just really love them
F9 Bb Bb7

Eb Edim7

Cm7 F7 Bb

[Verse]

I believe people are entitled to basic human rights
Whether they are rich or their poor
I believe a world where no children are starving
Is a world worth fighting for
And I try to remind myself, even when I m struggling
How incredibly lucky I am
And I don t think it s ok that the luxuries I crave
Should come at the expense of my fellow man

[Bridge]

I m sure I could give a little more
To alleviate the suffering of the poor.

[Chorus]

Fuck I love boobs though.
I just really love them
I don't really mind if I am behind
Below or above them.
They're just so jubbly
They make me feel lovely
I'd rather own boobs than a pub
Be doop be doop doo doo doo
I really love boobs.

[Verse]

I believe that the planet we live in is a living organism
And we must treat her carefully
I don't think we can assume we can just go on consuming
Her resources indefinitely.
The earth's not a bottomless pit
And we can all do our little bit.
Fuck I love boobs though
I just really care for 'em
They're equally fun when they're aged 21
Or octogenarian.
They're just so flappy
They make me feel happy
I'd rather eat boobs than a bap
Be doop be doo
I just really love boobs.
