If You Really Loved Me  
Tim Minchin  
Tabbed by: Patrick Cason

**Gm**  
If you really loved me  
**D7/Gb**  
the way you say you do  
**Bb/F**  
If you love me half as much  
**C7/E**  
as I love you  
**Cm7/Eb** **Bb**  
You would pluck a planet from the sky  
**A** **D**  
Youâ€™d use a star to dot the â€œiâ€•  
**Gm** **D7/Gb**  
In I love you... that is what youâ€™d do  
**Bb/F**  
You d take a dreary day  
**C7/E**  
and you would paint it blue  
**Cm7/Eb** **Bb**  
If you loved me unconditionally  
**A**  
These are the things  
**D**  
that you would do for me

Because I need you  
Like a fish needs the sea  
Like a fire needs oxygen  
Like a flower needs a bee  
And if you really care for me  
Youâ€™d let me video you while you wee

Standing up in the bath,  
I shouldnâ€™t even have to ask  
Perhaps youâ€™ll even store  
a little more in a flask  
These are just the things that people do  
**A** **D** **Gm**  
When their love for one another is true  
Ba da da

We go together  
Like a cracker and Brie

Like racism and ignorance  
Like bling and R&B  
But if you really want to show you care  
Youâ€™d let me wear your underwear  
When we visit your mum s,  
it s a bit of harmless fun  
I just like talking about your childhood  
with some lace between my buns  
Thereâ€™s no reason for a big to-do  
If your love for one another is true  
Ba da da

We go together  
Like a bird in a nest  
Like Internet and porn  
Like guns and the US  
And if you love me  
like you say that you do  
You d purchase forty cockatoo  
And teach them to fly  
in formation in the sky  
And shit the words â€œTim is Godâ€•  
on my ex-girlfriendâ€™s Hyundai  
Sure, it might be easier with doves  
But shirking challenges is not what love

**Eb**

Is all about

**D**

**Eb**

Love is not all wine and roses

**D**

**Eb**

Sometimes itâ€™s handcuffs and cheese

**C/E**

**F**

No-one said love is for free

**Am/E**

And if you agree with that

**Cm/Eb**

You ll sing me passages from the Koran

**D7**

**Gm**

wearing nothing but a Bob the Builder hat

**Dmaj#5/Gb** (or... **D/Gb**)

To the tune of waltzing Matilda

**Dm/F**

**Gm/E**

I just love the combination of Islam,

**Eb/F** **F** **E**

nationalism and buil--der

--\*SOLO\*-- (Best of luck...)

(Builder)

(Islam)

(Nationalism)  
(And a little bitty builder)  
(Islam)  
(Ozzy Ozzy Ozzy)  
(And Bob the fucking Builder)  
... (Let Bob the fucking Builder!)

**Am**  
Because I need you  
**E7/Ab**  
Like a tick needs a tock  
**C/G**  
Like bananas need pyjamas  
**D7/Gb**  
Like a nun needs cock  
**Dm7/F** **C**  
But if you want to put your love for me first  
**B** **E**  
You wouldn't go through childbirth  
**Am**  
You'd agree to adopt  
**E7/Ab**  
so that you could stay thin  
**C/G**  
We'll get a Chinese kid,  
**D7/Gb**  
it could teach us Mandarin  
**Dm7/F** **C**  
And communists don't make as much noise  
**B**  
And they're really good  
**E** **Am** **G**  
at sharing their toys

**Cm**  
Because I dig you  
**G/B**  
Like an Aussie digs pies  
**Eb/Bb**  
Like Born-Agains dig Jesus  
**F7/A**  
Like Jesus dug guys  
**Fm7/Ab** **G**  
And if you love me unconditionally  
**D** **G**  
You'd do my tax return for me  
**Cm**  
Cos it's way overdue,  
**G/B**  
and I just don't know,  
**Eb/Bb**

I guess Iâ€™m self-employed

**F7/A**

but do I still pay as I go?

**Fm7/Ab**

**G**

And does the threshold apply to me?

**C**

**G**

And should I register for GST?

**C**

**G**

And if you love me unconditionally

**A**

**D**

**Gm**

Would you let me video you while you wee?

**C**

Assuming there s nothing worth watching on the ABC
