[Intro]

C G F (2x)

[Verse 1]

Am **G** **F**
I saw your weeping eyes reflected in the window of a Boeing 727.
Am **G**
You looked down at the city, saw it slowly growing tiny,
D
As the sunset turned Hell s Kitchen into heaven.

[Chorus]

Dm **G** **Am**
You turned your face to me, and I tucked your hair behind your ears,
G
Said, nothing can go wrong,
C **G** **F**
So long as we are together, so long as we are, so long,
C **G** **F**
So long as we are together, so long as we are, so long.

[Verse 2]

Am **G**
And if we d met today, I wonder if we d met this way,
F
Would you have anything to say to me?
Am **G**
Stare out at the breakers, as our silence slowly stretches,
D
And the storm clouds darken in conspiracy.

[Chorus]

Dm **G** **Am**
You turned your face to me and I, I can t meet your gaze
G
