

**Song For Wossy**

**Tim Minchin**

**A**

Wossy, in two weeks youâ€™ll be gone

**E/A**

This is my last opportunity to sing you a song

**G/A**

So I wanna ask a favour before

**D Dsus2-D\***

You get on with your life

**A**

Jonathan, I wanna make love to you

**E/A**

Wossy I just wanna make sweet love to you

**G/A**

Just once, I wanna make sweet love to you

**G G/A D**

Sweet love to your wife

**Dm**

Thereâ€™s just something about her

That drives me insane

**A/C#**

Sheâ€™s got that cute sense of humour

And a brilliant brain

**Bm7**

But if Iâ€™m totally honest

My feelings for Jane

**A**

Are mostly sexual

**Dm**

Donâ€™t wanna put you and her

In an awkward position

**A/C#**

But I know Iâ€™d regret it

If I didnâ€™t ask the question

**Bm7**

I have talked to my wife

And she gave me permission

**G/A**

**A**

We both have a celebrity shag concession

**G G/A D**

And mine is Jane

**G G/A D**

Hers is Wayne Rooney

**Em7**

Although to be fair

**G/A**

Thereâ€™s not much chance of scoring there

**D A**

Jane, in two weeks time

**G**

Your hubby will be out on the breadline baby

**D**

And surely youâ€™re not gonna wanna be

**G**

**A**

Spending time with a bum

**D**

**A**

I know that in a month or three

**G**

Heâ€™ll have weaselled his way back onto my TV

**D**

**G**

But in the meantime, would you consider me

**E**

For a little fun?

The next 4 verses follow the A - E/A - G/A - D pattern

(Could switch the G/A for a G for a bit of variety on one or 2)

Just one night, Jane, would embiggen me  
Just one night, baby, youâ€™ll be digginâ€™ me  
Just a little dabble in temporary bigamy  
I just wanna make love, sweet love to you

What I wouldnâ€™t give for just one night with you  
Nothing too weird, just a nice night with a  
Couple of whips and an underwater camera  
I just wanna make a little sweet love to you

Wossy, you can watch if thatâ€™d make you feel better  
Thatâ€™d make it even more unforgettable  
You can hold the camera and make some bruschetta  
In case I get hungry making sweet love to your wife

Stop me, wonâ€™t you Wossy, if this is getting weird?  
The thought of Jane nuzzling my ginger beard  
Iâ€™m just doing a song, like we agreed  
And it just happens to be a song about how I wanna  
Make sweet love to your wife

Oooh

**Dm**

Jonathan Iâ€™ve always admired you

**A/C#**

I was nervous about our interview

**Bm7**

But your producers assured me

That all I had to do

**G/A**

**D**

Was be totally honest...with you

Then mess around in D for a while, if you can do what Tim does, congratulations!
