Fuck the motherfucker, and fuck you motherfucker  
**F**   **C**  
If you think that motherfucker is sacred.  
**C**  
If you cover for another motherfucker who s a kiddy fucker,  
**C**   **F**  
Fuck you! You re no better than the motherfucking rapist.

**Bb**

And if you don't like the swearing that this motherfucker forced from me

**F**

And reckon it shows moral or intellectual paucity

**G7**

Then fuck you motherfucker, this is language one employs

**C**

When one is fucking cross about fuckers fucking boys.

**F**

I don't give a fuck if calling the Pope a motherfucker

**F**

**C**

Means you unthinkingly brand me an unthinking apostate.

**C**

This has nowt to do with other fucking godly motherfuckers,

**C**

**F**

I'm not interested right now in fucking scripture or debate.

**Bb**

There are other fucking songs and there are other fucking ways,

**F**

I'll be a religious apologist on other fucking days

**G7**

And the fact remains if you protect a single kiddy fucker

**C**

Then pope or prince or plumber you're a fucking motherfucker.

**F**

You see, I don't give a fuck what any other motherfucker

**F**

**C**

Believes about Jesus and his motherfucking mother.

**C**

I've no problem with the spiritual beliefs of all these fuckers,

**C**

**F**

whilst those beliefs don't impact on the happiness of others.

**Bb**

But if you build your church on claims of fucking moral authority

**F**

And with threats of hell impose it on others in society

**G7**

Then you, you motherfuckers, can expect some fucking wrath

**C**

CaddG#

when it turns out you've been fucking us in our motherfucking asses.

**F**

So fuck the motherfucker, and fuck you motherfucker

**F**

**C**

If you re still a motherfucking papist.

**C**

If he covered for a single motherfucker who s a kiddy fucker,

**C**

**F**

Fuck the motherfucker! He s as evil as the rapist.

**Bb**

And if you look into you motherfucking heart and tell me true

**F**

That this motherfucking stupid fucking song offended you,

**G7**

**C**

With its filthy fucking language and its fucking disrespect,

**C**

CaddG#

If it made you feel angry go ahead and write a letter.

**F**

**C**

But if you find me more offensive then the fucking possibility

**F**

**C**

- the pope protected priests when they were getting fucking fiddly -

**F**

Then listen to me motherfucker, this here is a fact:

**F**

You are just as morally misguided as that

**Bb**

**C**

**F**

motherfucking, power hungry, self-aggrandised bigot in the stupid fucking hat.

(Repeat and Fade)

**F**

Fuck the motherfucker. Fuck the motherfucker.

**F**

Fuck the motherfucker. Fuck the motherfucker.
