(intro) G Em G Em

G Em Bm Bm7 G
The children outside all are laughing under perfect skies

The shapes and patterns in this season make me feel alive

It's a beautiful world I see, everything looks differently
G D Em Bm7 G
It's a beautiful world I see, these moments are changing me

When I look at the sky I see the reason why I know, ohooohooohoo-oho

G Em Bm
When I look out from the window
Bm7 G Em Bm
The moon and stars shine all their lights down from the heavens

A choir of angels strike a chord and lift their voices

And then we sing out, I've been lost but now I've found what's right in front
of me.
