I trust in You for every heartbeat

**Em** **C**  
As long as I m alive

**G** **C**  
Your love endures when I wake

**Em** **G**  
And when I close my eyes

**Em** **C** **G** **D**  
Help me to know You are God, I am not

**Em** **C** **G** **D**  
Remind my soul You re in control

**G**  
Praise to the Father

**Em**  
With every breath I take

**Em**  
In joy and sorrow

**C**  
All for Your kingdom s sake

**G**  
Be Thou my vision

**Em**  
Be Thou my hope restored

**Em**  
Now and forever

**C** **G**  
You are my great reward

I won t demand to know the reasons  
For my suffering  
These open hands will trust Your wisdom  
Beyond what I see

Help me to know You are God, I am not  
Remind my soul You re in control

Praise to the Father  
With every breath I take  
In joy and sorrow

All for Your kingdom s sake  
Be Thou my vision  
Be Thou my hope restored  
Now and forever  
You are my great reward

**D** **Em** **C**  
Oh Lord, my great reward

**C**  
I know this is dangerous

**D**  
Daring just to pray this  
**Em**

I will trust You Lord

**G** **C**  
The rock throughout the ages

**D**  
You make me courageous

**Em**  
I will trust You Lord

**G**  
I will trust You Lord

**C**  
I know this is dangerous

**D**  
Daring just to pray this  
**Em**

I will trust You Lord  
**G**

Help me trust You more

**Am7**  
The rock throughout the ages

**G**  
You make me courageous

**C**  
I will trust You Lord

**C**  
I will trust You Lord

Praise to the Father  
With every breath I take  
In joy and sorrow  
All for Your kingdom s sake  
Be Thou my vision  
Be Thou my hope restored  
Now and forever  
You are my great reward  
Oh, my great reward
