I d take another chance, take a fall

Take a shot for you

And I need you like a heart needs a beat

But it s nothin new

I loved you with a fire red-

Now it s turning blue, and you say...

Sorry like the angel heaven let me think was you

But I m afraid...

It s too late to apologize, it s too late

I said it s too late to apologize, it s too late

(bridge)

It s too late to apologize, it s too late

I said it s too late to apologize, it s too late

It s too late to apologize, yeah

I said it s too late to apologize, yeah-

I m holdin on your rope, got me ten feet off the ground...
