

**One And Only**  
**Timbaland**

Tabbed by:NandoD

Tuning:Standard

This is pretty much how the song goes I think. It s pretty simple.

Intro - Played with a delay-ish effect I m guessing

```
E | |-----|-----|
B | |-----|-----|
G | |--11-----|--11---12-----|
D | |--12---9---9---9---|-----|
A | |-----|-----|
E | |-----|-----|
```

or if you don t own a pedal or for whatever reason don t wanna use one...

```
E | |-----|-----|
B | |-----|-----|
G | |--11-----|--11---12---x---11-12-|
D | |--12---9---9---9---|-----x-----|
A | |-----|-----|
E | |-----|-----|
```

and Chorus - figure out the rhythm yourself, it s not hard.

```
E | |-----|
B | |-----|
G | |--4-----|
D | |--4---5---2---|
A | |--2---5---2---|
E | |-----3---0---|
```
