

**I Choose U**  
**Timeflies**

Intro: **E F# B**

1ª Parte:

**A**

Late nights, New York, trouble on my mind;

**A**

Crossed town to the west and I m wasting my time.

**C#m**

Down south back roads, dust clouds the air.

**B**

Chevrolet in the backseat, but it wasn t there.

**A**

Missed the flight out of Heathrow, got stuck up in a one room flat.

**A**

Cause she s so fit, tryna hold me down, while I was just trying to get back.

**C#m**

Malibu, beach blond, crashing on these shores.

**B**

Got a smile shining like gold, but that smile wasn t yours.

(**B**)

I know, I know, I know, I know...

Refrão:

**A**

Everybody needs somebody to love.

**A**

Everybody needs somebody to love.

**C#m**

And I choose you. (And I choose you.)

**B**

And I choose you.

**A**

Everybody needs somebody to love.

**A**

Everybody needs somebody to love.

**C#m**

And I choose you. (Yeaah, yeah.)

**B**

And I choose you-u-u.

And I choose you-u-u-u

( **A E C#m B** x2)

2ª Parte:

**A**

High heels, dirty talk, hand cuffs and chains.

**A**

Nails down my back, but I never knew her name.

**C#m**

Bright eyes, sun dress, daddy s little girl.

**B**

She changed my life, but you changed my world.

**(B)**

And I know, I know, I know, I know...

Refrão:

**A**

Everybody needs somebody to love.

**A**

Everybody needs somebody to love.

**C#m**

And I choose you. (And I choose you.)

**B**

And I choose you.

**A**

Everybody needs somebody to love.(Somebody to love)

**A**

Everybody needs somebody to love.(Somebody to love)

**C#m**

And I choose you. (And I choose you)

**B**

And I choose you-u-u.

And I choose you-u-u-u

**(A E C#m B x2)**

3ª Parte:

**A**

You re every place that I ve been baby, you re every face that I ve seen;

**C#m**

**B**

You re everywhere and I m going crazy, your body s rockin my dreams;

**A**

You re always up in my mind, you re everywhere that I go;

**C#m**

**B**

You re everything in this time, so girl I m lettin you know;

**A**

That I m, rolling up in a fly whip, come ride this and just close your eyes;

**C#m**

**B**

Showin up with my sidekick, my, superhero with a dope disguise;

**A**

No wonder woman, all our dreams are coming true;

**C#m**

**B**

So don t be scared of losing me, cause I m always choosing you.

Refrão:

**A**

Everybody needs somebody to love.

**A**

Everybody needs somebody to love.

**C#m**

And I choose you.

**B**

And I choose you-u-u-u-u.

And I choose you-u-u-u-u-u-u.(yeaah)

(A E C#m B A E)

**C#m**

**B**

Everybody needs somebody to love.

**A**

And I choose you.

**E**

I need somebody to lo-o-ove

**C#m**

**B**

I need somebody to lo-o-o-ove

**A**

**E**

I need somebody to lo-o-ove

**C#m**

**B**

I need somebody to love

(A)

And I choose you.
