

**Monsters
Timeflies**

Em7
I see your monsters
C9
I see your pain
G
Tell me your problems
D/F#
I ll chase them away
Em7
I ll be your lighthouse
C9
I ll make it okay
G
When I see your monsters
D/F#
I ll stand there so brave
And chase them all away

Em
A cup of coffee still steaming
C
Staring back at me, it s blacker than the night
G
I m awake but still sleeping
D/F#
I keep telling myself I ll be alright (I won t)
Em
And I know it can t get worse than today
C
Sitting here and she s trying to rehearse what to say
G

See, she's in the bathroom hoping I'm not in earshot
D/F# Em
While she's getting used to the sound of a teardrop (Splash)
It hits the tile
C
And I know it's been a while since you seen me
G
Smile and laugh like I used to
I've been in denial since it happened
D/F#
Just take me to the past
Em
Cause I just can't imagine losing you (too)
C
I can't explain this so I'll keep it all inside
Wear my pain, but it's masked by my pride
G
She came to hold me and she cried
D/F#
Told me this as she stared into my eyes, said
Em7
I see your monsters
