

# Monsters Timeflies

**Fm7**

I see your monsters

**C#9**

I see your pain

**G#**

Tell me your problems

**Eb/F#**

I ll chase them away

**Fm7**

I ll be your lighthouse

**C#9**

I ll make it okay

**G#**

When I see your monsters

**Eb/F#**

I ll stand there so brave

And chase them all away

**Fm**

A cup of coffee still steaming

**C#**

Staring back at me, it s blacker than the night

**G#**

I m awake but still sleeping

**Eb/F#**

I keep telling myself I ll be alright (I won t)

**Fm**

And I know it can t get worse than today

**C#**

Sitting here and she s trying to rehearse what to say

**G#**

See, she's in the bathroom hoping I'm not in earshot  
Eb/F# Fm  
While she's getting used to the sound of a teardrop (Splash)  
It hits the tile  
C#  
And I know it's been a while since you seen me  
G#  
Smile and laugh like I used to  
I've been in denial since it happened  
Eb/F#  
Just take me to the past  
Fm  
Cause I just can't imagine losing you (too)  
C#  
I can't explain this so I'll keep it all inside  
Wear my pain, but it's masked by my pride  
G#  
She came to hold me and she cried  
Eb/F#  
Told me this as she stared into my eyes, said  
Fm7
