

Memories

Timeless Miracle

Bm **G** **Em**
Moments of happiness will
 A
they ever come back?
Bm **G** **Em** **A**
Embraced by darkness now that you are gone
D **Bm** **G** **A**
Leaving me, why can't you see
 Bm **G**
I'm standing in the rain
Em **A**
Calling out your name

[Chorus:]

D **A** **Bm** **G**
In my memories I see you smile
D **A** **Bm** **G**
The road to the future was in your eyes
D **A** **G** **A** **D**
I can see you like I used to do
D **A** **G D**
In my memories of you

Bm **G**
Searching through my soul
Em **A**
there is nothing inside
Bm **G** **Em** **A**
Every day time takes its toll
Bm **G** **Em** **A**
It hurts me so when you say you must go
Bm **G** **A**
The love we shared is not coming back

[Repeat chorus]

D **G** **A**
I saw the light in your eyes
G **A** **D**
Shining down on me
D **G** **A**
I saw the light in your eyes
G D **A**
Shining on me

[Repeat chorus]
