Timesbold " Recover Ring

I play the following chord shapes with a capo on the forth fret.

Also, when playing the Am chord during the verse, I like to occasionally shift my finger from the B to the e string and back again.

Am
daylight s a banquet
Am
evening s disasters
G
work what you re worth
Am
snap that neck backwards

F
Oh-oh
Am
recall the ring
F
Oh-oh-oh
Am
recall the ring

Am
you re sick as a secret
Am
whisper a nothing
G
shake your bones loosewise
Am
some dry shoes for walking

F
Oh-oh
Am
recall the ring
F
Oh-oh-oh
Am
recall the ring

C
i ve seen you in black
E

in your black and blues

F

i ve seen you in black and white

G

picking crops at night

Am

a horse is a horse

Am

don t have to be rocking

G

nothing need move you

Am

as long as you re stopping

F

Oh-oh

Am

recall the ring

F

Oh-oh-oh

Am

recovering

This is my first ever attempt at working out a song by ear, but I think it sounds about right.

Any suggestions for amendments would be welcome though!
