

Comatose

Timmy Curran

first tab :)

sounds pretty correct, but still not sure,
CAPO on 4th

not sure about the notes he plucks, but just pluck the chord.

INTRO

(Am, C, G, F)

Am C
Something has gone wrong.

G Am C
Play me first as long as we open up our eyes.

G Am C
Why do we justify these foolish who are burning?

Am F C G Am F C G
If we don t wake up soon this burden will be long, this burden will be long

Am F C G F Am
If we don t wake up soon all we ever knew will be gone.

Am C G F Am
This comforts so deceiving all common sense aside. This world wonders

C G F
grieving but from the depths we hide.

Am C G
We question of this hatred as we sacrifice.

Am C
It s comatose you see.

G F Am F C G F C G
How much longer can we bleed before we come to our senses again? sense again

Am F C G Am F C G
If we don t wake up soon this burden will be long. this burden will be long

Am F C G F Am
If we don t wake up soon all we ever knew will be gone
