

**A Famous Country Singer**  
**Timothy Seth Avett as Darling**

Edit-sorry it looks like the formatting got a bit messed up at some point but I did my best to put everything back in place

A Famous Country Singer

intro  
**C G C G**

**C**  
There s a real lady  
                  **G**  
in a plastic town  
                  **F**  
the kind you see in day dreams  
                  **C**                  **G**  
but never come around

**C**  
Eyes are blue and broad  
                  **G**  
like an ocean sunset  
                  **F**  
seen somethings they shouldn t  
                  **C**  
probably rather forget  
                  **E**  
but since we met  
                  **Am**                  **F**  
we ll I ve known no blues

**C**  
so if you re weary  
                  **E**                  **Am**                  **F**  
well I could carry your bags for youuu

**C**                  **E**  
I ll be carrying your precious things  
**Am**                          **F**  
if you want them back  
          **G**  
well just ask

**C**  
hair black as coal  
          **G**  
skin so winter white  
          **F**  
her heart is made of gold  
          **C**                  **G**  
sparkles in the sunlight

**C**  
a red rose ring  
          **G**  
is wrapped around her finger  
          **F**  
her parents named her after  
          **C**  
a famous country singer

**E**  
well I bring her  
**Am**                          **F**  
flowers at night  
          **C**                          **E**  
we ll undress in the darkness  
          **Am**                  **F**  
and lay side by side  
**C**                          **E**  
I kiss her and I whisper  
**Am**                          **F**  
well mama I don t mind  
          **G**  
if we take our time

**C**  
see a heart like yours  
          **G**  
it needs a sleeveless shirt  
          **F**  
to keep it in the open  
          **C**                  **G**  
it s always getting broken

**C**  
in it s stiched up bag  
          **G**

but it burns bright and true

**F**

that s why I m always warmer

**C**

standing next to you

**E**

**Am**

**F**

if I could lose this fear and doubt

**C**

**E**

**Am**

**F**

your pretty eyes are something I would not be without

**C**

and this give and take

**E**

you cry and shake

**Am**

**F**

**G**

and I m walking out

Brief Solo based around alternating C and G chord shapes,

**F**

**C**

I ve been long time Lonely

**G**

and every setting sun

**F**

I never met nobody

**C**

**G**

I couldn t walk away from mhm

**C**

if you re leaning on me

**G**

I ll only turn and run

**F**

to shoot ya from the darkness

**C**

but the saddest part is

**E**

my heart is

**Am**

**F**

a letter not sent

**C**

**E**

it sits on the dresser

**Am**

**F**

and remains unopened

**C**

**E**

I choose to hide the words inside

**Am**

**F**

but darlin it s juuust

**F**

**G**

**Am**

better for the both of us

**F**            **G**            **C**  
and my hearts collecting dust
