

This Is My City
Timothy Victor

Capo 3rd fret

Am

Turning my memories

Em

Hoping to find out

G

Am

where all the loyalty s gone

Am

The friends that I had then

Em

Turned into strangers

G

Am

Thinking of you all alone

F

If you see me now

Am

You see me alone

F

If you see me

G

I ll be heading home

C

Cause this is my town, this is my city

Em

Through my eyes it looks so pretty

F

G

This is my town, this is my city now

C

These are my people, this is my song

Em

Dirty streets where I belong

F

G

This is my town, this is my city now

Am

This is my city now

Am

Burning these pages

Em

Our broken story

G

Am

Words are just strangers to me

Am

Thought we could work this out

Em

I was wrong, you

G

Am

Put the desperate doubt into me

F

If you see me now

Am

You won't see me alone

F

If you see me

G

I'll be heading home

C

Cause this is my town, this is my city

Em

Through my eyes it looks so pretty

F

G

This is my town, this is my city now

C

These are my people, this is my song

Em

Dirty streets where I belong

F

G

This is my town, this is my city now

Am

This is my city now

First time I'm submitting chords here, so if you notice any mistakes, let me know :)
