Sorrento Moon (I Remember)

intro: **Am G** x8

Am G Am G

I sang your praises daily

Am G Am G

And we let ourselves get swept away

Am G

It s true baby

Am G Am G Am G

We held heaven in our hands for days

F C

You wait a long time

F C

For something wild to take you somewhere

F C Am G

And all I needed was to fly

F C F C

It s a long way from paradise to ordinary

F C Am G

Picture us just smiling there, we didn t have a care

Am G Am G Am G Am G

I remember, how it all came true

Am G Am G Am G

It was oh so tender and I was lost with you

F G Am

By the sweet sorrento moon

Am G Am G

But the stars don t burn that brightly

Am G Am G

Every season surely slips away

Am G

But you baby

Am G Am G Am G

You re the reason why I chose to stay

F C

You wait a long time

F C

To find your dream and hold on to it

F C Am G

And all I needed was to fly

F C F C

It s a long day from innocence to understanding

F C Am G

A picture of a child at play, is how I feel today

Am G Am G Am G Am G

I remember, how it all came true

Am G Am G Am G

It was oh so tender and I was lost with you

F G

By the sweet sorrento moon

instru: **F C Am G** x4 Oh Baby now....

Am G Am G Am G Am G

I remember, how it all came true

Am G Am G Am G

It was oh so tender and I was lost with you

F G Am G

By the sweet sorrento moon...
