Capo 2nd fret

**E** **G#m**  
When the tears start falling on my pillow  
**A** **B**  
In the wee hours of the night  
**C#m** **B**  
Know that it s not you that cause my eyes to fill, no  
**A** **B** **F#m**  
I just float off to the deep end of my life

**E** **G#m**  
When my eyes drift off into the horizon  
**A** **B**  
And my hand seems to loosen its hold  
**C#m** **B**  
Know that it s not you that send my thoughts a-roaming  
**A** **B** **F#m**  
Just overwhelmed with the affection that I m shown  
**B**  
That you show

**A** **E/G#** **F#m** **E**  
Cause there s lo---o---ove all around me  
**A** **E/G#** **F#m** **E**  
And there s lo---o---ove all around me  
**A** **E/G#** **F#m**  
And there s nothing to keep me from falling  
**B**  
And drowning in it

**E** **G#m**  
So when the tears start falling on my pillow  
**A** **B**  
And there seems no reason for my blues  
**C#m** **B**  
Know that it s not you that cause my eyes to spill, no  
**A** **B** **F#m** **B**  
There s just so much in this life I m scared to lose
