Tina Dico - No Time To Sleep

A Beginning, A Detour, An Open Ending

Tabbed by Christopher Nordberg, 1907cc@gmail.com

Capo: 5th fret

[Intro]

**Am C G Em** (x2)

[Verse 1]

**Am** **C**  
Who s gonna sing the song of change

**G** **Em**  
If no one can imagine life outside the beaten track

**Am** **C**  
And who s gonna stop a running train

**G** **Em**  
If no one cares to dwell or no one wants to look back

[Pre-Chorus 1]

**Am** **C**  
Somewhere along the line you gave up askin

**Am** **C** **G**  
When it got a little too complex

**Am** **C**  
But if you don t question what has been

**Am** **D** **Em**  
Does it mean that you don t care what s coming next

[Chorus 1]

**C** **Em**  
You got no one to follow

**G** **Am**  
And no one will follow you

**C**  
Ain t that a relief

**C** **Em** **G** **Am**  
That everything and everyone must grow in opposition  
To resistance and contradiction

**C**  
This ain t no time to go to sleep

**Am**  
This ain t no time to go to sleep

**C**  
This ain t no time to go to sleep

**Am**  
This ain t no time to go to sleep

**G**

This ain t no time to go to sleep

[Verse 2]

**Am C**

So who s gonna sing the song faith

**G Em**

If no one prays for anything that can t be bought and sold

**Am C**

And who s gonna tell the story straight

**G Em**

Does anyone believe there s still a story to be told

[Pre-Chorus 2]

**Am C**

Somewhere along the line you just stopped walking

**Am C G**

When the undercurrent got too strong

**Am C**

Some day a lonely busker will come knocking

**Am D Em**

With a soft and long forgotten song

[Chorus 2]

**C Em**

Cause you got no one to follow

**G Am**

And no one will follow you

**C**

Ain t that a relief

**C Em G Am**

That everything and everyone must grow in opposition

To resistance and contradiction

**C**

This ain t no time to go to sleep

**Am**

This ain t no time to go to sleep

**C**

This ain t no time to go to sleep

**Am**

This ain t no time to go to sleep

**G**

This ain t no time to go to sleep

**C**

This ain t no time to go to sleep

**Am**

This ain t no time to go to sleep

**C**

This ain t no time to go to sleep

**Am**

Oh, this ain t not time to go to sleep
