Bm **D**
She was standing at the barrier by security check

A **G**
That was as far as they'd let her

Bm **D**
Trails of mascara down her cheeks and her neck

A **G**
Worried her loved one might forget her

Bm **E**
He is leaving today

G **A** **E**
I watched him run, run, run to catch his plane

A **D**
Determination on his face

Bm **G**
Nothing could stop him, nothing could stop him

Bm **G** **E**
Nothing could stop him, he had to get away

Bm **D**
She'll be waiting til the end of the world

A **Bm**
Just because he didn't say the word

D
N-n-no

E
No no

Bm **D**
She'll be left a strange and unsettled girl

A **Bm**
Just because he didn't say the word

D
B-B-bye

E
Goodbye

Bm **D**
It reminded me of something I've been trying to forget

A **G**
A window I left wide open

Bm **D**
The day I didn't say the words that I should've said

A **G**
And left a hungry man hoping

Bm **E**
I was leaving that day

G **A** **E**
I had to run, run, run to catch my train

A **D**
I heard him calling out my name

Bm **G**
But nothing could stop me, nothing could stop me,

Bm **G** **E**
Nothing could stop me, I had to get away

Bm **D**
Now he'll be waiting 'til the end of time

A **Bm**
Just because I couldn't say the word

D
N-n-no

E
No no

Bm **D**
It'll rattle in the back of his mind

A **Bm**
Just because I couldn't say the word

D
B-B-bye

E
Goodbye

Bm
If you're leaving

D **E**
Say the word, Say the word

Bm
If you're leaving

D **E**
Say the word, Say the word

Bm
If you're leaving

D **E**
Say the word, Say the word

Bm
If you're leaving

D **E**
Say the word, Say the word
