

The Other Side
Tina Dico

Tina Dico - The Other Side (acoustic)

I had to redo this tab because i ve seen her playing it with a capo and some chords were not quite correct. So here s a better version:

Capo 4 (sometimes Capo 3)

C/G	332010	Am/F#	200210	D5	xx023x	D	xx0232
F	13321x	Am	x02210	E	022100		

This song is quite simple and she plays it with a walking bass and adds some bass runs here and there. The bass note is picked on count one and three and on count two and four is a down- and upstroke.
